Hello! here are things you should know.

The last day of school is May 25th. If you are able to send your student with \$5 that would be appreciated, I will be ordering them food. If your child has a summer birthday they can bring cupcakes /cookies or even ice cream and we will celebrate them on that day.

I hope you all have a fun and safe summer!

TIA has been open for 20 years! Homework packets are given out on Monday and need to be turned in by Friday, they will be graded. If you have any questions, please ask me or call the front office. Thank you for reading this newsletter.
